

Are You Expecting?

DriveTime has partnered with United HealthCare and WellCall to help have healthy babies! Our Healthy Baby Program offers great incentives and information for you and your baby's health. With our abundance of resources, we know we can be a great benefit for you during this very exciting time.

Baby Gift from DriveTime

We encourage all employees and their spouses who are pregnant to be proactive about their health during pregnancy. If you (or your spouse) attend all of your pre-natal care visits for the duration of the pregnancy; you could receive \$300!

- If you provide proof of birth and verification of all of your pre-natal visits (on physician letterhead or prescription pad)
- You will receive the first \$150 after your first four prenatal visits
- The second \$150 will be disbursed after the baby is born

WellBaby by WellCall

Free educational materials and a Wellness Coach to help you with:

- Pre and postnatal care (on different trimesters)
- Birthing plan
- Labor and delivery
- Breastfeeding
- Healthy eating and nutrition
- Weight management and exercises during and after pregnancy

Call 1-888-493-5522

Where Do I Get More Info?

You can find the Baby Gift form right HERE and at www.drivetimebenefits.com.

Note: If you wish to join the Healthy Baby program, you must be on DriveTime's Medical plan.

You can go to the websites to find further information about what UHC and WellCall has available for you!

Adding your baby to your coverage!

Employees have 31 days from the day your baby is born to add him/her to your Benefits coverage.

Please submit a completed Life Status Change form (located on the Benefits website) to **(888) 505-7130** and be sure to include supporting documentation (proof of birth, birth certificate, etc...).
